## MONTGOMERY COUNTY PUBLIC UTILITIES DEPARTMENT WATER SYSTEM ID# 03-62-010 PRESS RELEASE

FOR IMMEDIATE RELEASE  
Friday November 9<sup>th</sup>, 2018

Matthew Morris, Public Utilities Director  
[matthew.morris@montgomerycountync.com](mailto:matthew.morris@montgomerycountync.com)

### **November 5<sup>th</sup> 2018 BOIL WATER ADVISORY RESCINDED**

On Monday, November 5<sup>th</sup>, Montgomery County Public Utilities issued a Boil Water Advisory to Montgomery County Water customers located on Saunders Rd, Pekin Rd, Hicks Rd and Springdale Heights related to a water main break. Water service has been restored, and based on laboratory analysis of water samples collected, water users are hereby notified that it is no longer advised to boil water used for human consumption.

Customers may continue to see some discoloration and air in the lines. These do not represent a public health risk in and of themselves. Customers may flush their lines by opening a tap. If problems persist, please notify Montgomery County Public Utilities at 910-439-6197.

We appreciate your cooperation during this period. This information is being relayed through Reverse 911 notices. Please relay information to neighbors and family in the affected area who only use cellular service. This announcement will also be posted on the County's website at [www.montgomerycountync.com](http://www.montgomerycountync.com). If you have any questions, please feel free to contact Montgomery County Public Utilities 910-439-6197.
